THIS FORM IS FOR PLUMBING CONTRACTORS/AFFIDAVIT HOLDERS SEEKING ADDITIONAL MASTER PLUMBER REPRESENTATION

Section 21(4) of 2002 PA 733 states, "When a license is issued to a plumbing contractor represented by a master plumber, the plumbing contractor and the master plumber are jointly and severally responsible for exercising the supervision or control of the plumbing operations necessary to secure full compliance with this act, the rules promulgated under this act, and all other laws and rules related to the installation of plumbing."

Section 41(2) of 2002 PA 733 states, "Except as otherwise provided in subsection (3) and section 15(2), (3), (4), and (5), the state or a governmental subdivision shall issue a plumbing permit only to a licensed plumbing contractor. The state or a governmental subdivision shall require the plumbing contractor to record his or her current plumbing contractor license number on the permit application. A licensed plumbing contractor shall designate 1 or more licensed master plumbers employed full-time who directly supervise the installation of plumbing to obtain permits using the license number of the plumbing contractor. The master plumber's license number must also be recorded on the permit application."

Section 41(3) of 2002 PA 733 states, in part, "In those instances where business or industrial procedure requires the regular employment of a full-time licensed master plumber, a licensed master plumber shall be authorized to secure permits for installation of plumbing on the premisses owned or occupied and used by the business provided the licensed master plumber physically supervises the plumbing work and represents only the business or industrial employer. An annual affidavit furnished by the department shall be signed by both the employer and the licensed master plumber and shall be kept on file in the department."
